## **Creative Use of Crayons!**

**Twist And Turn!** Have children scribble or draw to music, turning their paper in a different direction each time the music stops.

**Rub, Rub, Rub!** Provide textured surfaces for rubbings such as tree bark, concrete, combs, sandpaper, and corrugated cardboard.

**Bundle Up!** Make a bundle of crayons by placing 3 or more crayons together and securing them with a rubber band.

**Make A Mark!** Use the point of the crayon to make dots, the side for sweeping, and the flat end for circles.

**Polish makes perfect!** After drawing with crayons, let children polish the marks by rubbing with a tissue.

**Look, Mom, Two Hands!** Have children scribble or draw with a crayon in each hand.

**Pressure Sensitive!** Color lightly or heavily by applying more or less pressure.

## **Art Expressions**

**FOR SCHOOL-AGERS** Children are great artists, but with all the coloring books available and the emphasis on staying in the lines, kids may get caught in a cycle of imitative or restricted art. After a while, their creative art doesn't seem to measure up. If you want to spark your young artist's creativity, try coming up with ideas like the ones from *The Anti-Coloring Book* by Susan Striker and Edward Kimmel. They Jump-start creativity by asking questions like, some people think there is a man or a woman in the moon, and others say the moon is made of green cheese. What do you think of when you look at the moon?" Provide paper, crayons, and paint and watch the fun begin!

## **School Closed**

Faith Daycare and Preschool will be **closed on Monday, Feb. 9 & 16** in observance of Presidents' Day. We wish you a fun and restful holiday.

## **Weather**

Cold mornings are here. Please send longed sleeved shirts or jackets. We go outside three times a day except in extreme weather (rain, heat and high winds). Please make sure to update your child's emergency clothes.

## **VALENTINE CELEBRATION**

**Ladybug & Butterfly** Students will be having a Valentine Party on **Thurs. Feb. 12**
