## APRIL 2024

### April Curriculum

Spring is here, in April we will be studying about the food pyramid and the children will be experiencing cooking in the class room. “Grow” foods and “Junk” foods will be cropping up in their conversations. We will be learning about the letters V, W, X the color blue, the oval shape and number 10. We will also be discussing Jesus, miracles, and birds.

### Earth Day

The teachers will be observing and discussing Earth Day. There will be lots of hands-on lessons such as; planting, recycling and other crafts. Your child’s teacher may post their work on Instagram.

### Kindergarten Round-Up

Parents, remember to check with your local school for sign up dates. Remember to check your child’s immunization card for required shots.

### **Important Dates**

Scholastic Book Orders Due  
Earth Day (Observing all week)

April 16  
April 22

## **Tax Print-Outs**

Email the office if you need a 2023 tuition print-out or you may leave a note in the tuition mailbox.

## **Scholastic Books**

Scholastic book orders need to be turn in by **Tuesday, April 16.**  
The books will arrive in two weeks.  
Thank you for your order.  
Online code is #MM3RC

## **Assessments**

The teachers are working on student assessments and will be sending them home at the end of April. If you have any questions or would like to schedule a parent/teacher conference, please email the office to schedule an appointment.

## **Thank you!**

The staff and I would like to say thank you to all our amazing families for their generous donations and support with our Easter Celebration party. It's wonderful parents and grandparents like you that make it so much more fun around here!

## **HAPPY BIRTHDAY** TO THE FOLLOWING STUDENTS

Emma W.	4/3
Victoria D.	4/10
