APRIL 2026

April Curriculum

Spring is here, in April we will be studying about the food pyramid and the children will be experiencing cooking in the class room. “Grow” foods and “Junk” foods will be cropping up in their conversations. We will be learning about the letters V, W, X the color blue, the oval shape and number 10. We will also be discussing Jesus, miracles, and birds.

Earth Day

The teachers will be observing Earth Day this month. There will be lots of discussion the week of 4/20-4/24. The students will be doing lots of hands-on activities such as; planting, recycling and other crafts. Your child’s teacher may post their work on Instagram.
